PEOPLE · SYSTEMS · PROCESSES · RESULTS

Rickey Burns, PMP

ENTERPRISE TRANSFORMATION & STRATEGIC OPERATIONS

Complex change. Clear direction.

I lead complex change by aligning people, technology, and business processes. From multi-location transitions to enterprise programs, I turn competing priorities into accountable delivery and measurable results.

25	$60M+	50%
SIMULTANEOUS INITIATIVES	**ENTERPRISE PORTFOLIO**	**SHORTER DELIVERY CYCLE**
All 25 completed in 20 months	25 simultaneous initiatives	Six to three months

100+	1,000+	100%
ORGANIZATIONS SUPPORTED	EMPLOYEES SUPPORTED	COMMITTED MILESTONES COMPLETED

From hands-on execution to enterprise leadership

Leadership built at every level

1 FIELD DELIVERY

On-site technology transitions, employee onboarding, and direct stakeholder support.

2 SYSTEMS ENGINEERING

Infrastructure, applications, databases, and enterprise technology environments.

3 APPLICATION & DATA PM

Business system conversions, cutovers, migration planning, and operational continuity.

4 ENTERPRISE DELIVERY LEAD

Governance, teams, executives, vendors, and accountable program delivery.

Process improvement at scale

A repeatable playbook. Measurable time savings.

Original process
Six-stage delivery

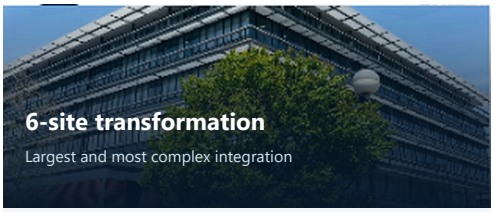

Streamlined process
Three-stage delivery

Standardized plans, governance, and operating playbooks reduced average delivery time by 50%.

Real-world transformation examples

Multi-location complexity. Business continuity. Results.

6-site transformation

Largest and most complex integration

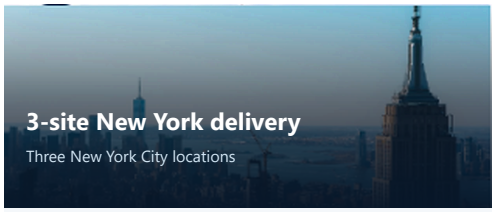

- Six locations coordinated through one delivery plan
- Aligned technology, teams, and stakeholders
- Completed all committed milestones

5-site transition

50 employees

- Integrated five operating locations
- Coordinated technology, data, and user readiness
- Maintained business continuity throughout

3-site New York delivery

Three New York City locations

- Coordinated three New York City locations
- Led a high-visibility multi-site transition
- Completed all committed milestones

Complex change. Clear direction.

Align people. Improve processes. Deliver outcomes.

+ People first
+ Systems integration
+ Process improvement
+ Accountable delivery
